RESUME

PERSONAL DETAILS

Name: Reynolds Frempong Addy

Current Location: Rochester Minnesota

Linkedin: www.linkedin.com/in/reynolds-addy/

Github: https://github.com/Reynoldscode?tab=repositories

Email: reynoldsfrimpong@gmail.com

With seven years of experience in the technology space and a proven track record in leading design projects, I am confident in my ability to excel in the position of software developer.I love technology and I am a self driven and a fast paced learner. Over the years I have learnt my way through the technical know-how of creating responsive web design. I have always been fascinated about building products that best suit the needs of users. Their response is always fulfilling.
